IBIZA

THE ISLAND

Ibiza attracts people from all over the world. Many say the island allows them to breathe, step away from everyday life, and just live.

The open atmosphere on the island, gives you a loose sense of living. Ibicencos often use the Latin expression: 'Ad Lib', especially in their fashion. Which means "as you feel like".

Ibiza has attracted open-minded people, hippies, artists, and musicians for years. Today Ibiza is more international than ever. You see this reflected in the many restaurants with different culinary experiences and bars and clubs with chic designs, housed in breathtaking scenery. Families also love Ibiza as they can take their kids everywhere on Ibiza.

Find out for yourself why you love Ibiza.

ABOUT US

We came to the island in 1999 and still enjoy it whenever we come here.

We fell in love, got married, had children, and bought a house. Now we are enjoying the island every season and feel so lucky we can do this. We like to come here with friends and family. Enjoy a great paella in the wintertime at Es Boldado and relax in summer with fresh Cava de Sangria at a beach.

Over the years, the island keeps changing and surprising us. The island's energy is amazing, and we keep changing with it. When we first came to Ibiza, we just partied and experienced nightlife. With small children, we enjoy the beaches, and as we get older, our spiritual interest comes free here.

Many people ask which beaches we like to go to and where they should eat. What places are good for partying, and where do we buy the kaftans for the girls?

Enjoy Ibiza brings you a part of the island we know and like. We like to share these tips with you and hope you will have the same beautiful experiences as we do!

Un abrazo de
Jordi & Joanne

BEACHES

55 BEACHES

Ibiza has 55 beaches to enjoy.

There are small idyllic beaches, rocky beaches, and beaches with sand and stones. There are beaches we love, and there are also beaches we still have to discover. Some beaches are great for small kids (Cala Gracioneta), and some beaches you want to visit if you have a party with friends (Salinas - Sa Trinxa).

These are a few of our favourites. Sometimes we talk about the beach, and sometimes, we say the establishment's name.

sun, swim, snorkel & just relax

JUST BEACHES

CALA CONTA

Here's something for everyone. The beach is beautiful, the water is a popular snorkelling area, and there is a nice chill-out beach bar called Sunset Ashram. The sunset there is just as good as the famous Café del Mar in San Antonio. If you dine at one of the restaurants at the beach, you will be dining with a fantastic sunset! Cala Conta is situated on the west coast of the island.

CALA D'HORT

In a word, magnificent! It is a quiet bay with the sun, sand, fine restaurants and beautiful island views. You can also visit the famous rock 'Es Vedra'—a beautiful and spiritual place.

CALA JONDAL

Beautiful beach in the south of Ibiza; you will find many famous beach clubs like Blue Marlin, Tropicana, Jemanja (open all year-round); Tropicana has the best service at the beach, and they have great Massages on the beach. Blue Marlin is famous for Sunday's live music.

CALA LLONGA

Cala Llonga is a famous bay near Santa Eularia, with a vast sandy beach with all the amenities you want.

CALA VEDELLA

A small, beautiful beach with clear blue water in the heart of a seaside village. Very popular with families. This beach is lovely at the beginning or end of the season, as most restaurants and bars are open year-round.

PLATJA DES CAVALLET

Es Cavallet is an official nudist (partly) and gay-friendly beach in Ibiza. It has a nice Chiringuito and restaurant Es Collera (open all year round).

AGUAS BLANCA'S

The beach in the northeast of Ibiza is beautiful, rocky and partly nude.

BENIRRAS

We like to go on Sundays as the hippies sit there and drum. The sunset is fantastic.

ES CUBELLS

Es Cubells is a small beach which is very easy to find. Just follow the sign Es Cubells, the road goes down for 1.5 km, and the last part can be very steep.

BEACH & FOOD

CALA JONDAL | TROPICANA

You will find beautiful white beds, great music and massages on the beach. If Jorge, the massage therapist, is there, he will take care of your back :-). It is the place to order fresh fish or salads, which they serve on your bedside. Tropicana is the place to call the best cava de Sangria on the island, salute!

CALA CONTA | SUNSET ASHRAM

A nice view over Cala Conta beach with the super blue sea and excellent music is a nice place to sit and drink. Good music and, as the name suggests, a beautiful Sunset!

CALA GRACIONETTA | EL CHIRINGUITO

Lovely small beach, not to be mistaken for 'Cala Gracio', which lies next to it, you can easily swim around the rocks to get to either of them. It is very nice with small children as the beach is small you always see them and the water has a long stretch of shallow water. The Chiringuito serves food good food.

ES XARCU | NEXT TO JONDAL BEACH

A small excellent fish restaurant. Carefully with your car because the road is pretty bumpy!

SA CALETA | ES BOL NOU

The Sa Caleta restaurant is excellent for fish. When you go in spring you can sit in the sun and stay out of the wind. They are open the whole year. It has a rough, red rock beach with sand.

PLATJA DES CAVALLET

Official nudist (partly) and gay friendly beach in Ibiza. Has a nice Chiringuito and restaurant Es Collera (open all year round).

AGUAS BLANCA'S

The beach in the northeast of Ibiza, is beautiful and rocky. This is a partly nude beach.

BENIRRAS

We like to go on Sundays as the hippies sit there and drum. The sunset is fantastic.

ES CUBELLS

A small beach at Es Cubells, which is very easy to go to. Just follow the sign Es Cubells, the road goes down for 1.5 km, and the last part can be very steep.

BEACH & LOUNGE

SALINAS BEACH | JOCKEY CLUB

Certainly one of our favourite beaches. In the afternoon, delicious food and 'Sangria de Cava'. You can rent beds, in summer there's a DJ, and the music is always outstanding! Furthermore, a masseur is Giovanni, who brings much expertise.

SALINAS BEACH | SA TRINXA

This beach is a must if you want a place with the real Ibiza spirit! Something unique and, luckily, never changed through out the years. You can get there through the forest (dunes) or along the beach.

SALINAS BEACH | MALIBU BEACH RESTAURANTS

Nice and quieter than the above.

PLAYA CODOLAR | EXPERIMENTAL BEACH (NEAR TO SALINAS)

You see the entrance right just before Salinas. Incredible sunsets and very good music. It's a pebble beach.

PLAYA ES CAVALLET | EL CHIRINGUITO

El Chiringuito is a nice restaurant with big white lounge beds and a good vibe.

PLAYA D'EN BOSSA | COCO BEACH

Sunbeds, club sandwiches, and fresh lobster are all served on the beach. Delicious food for a beach restaurant, the kids can play in the sand, and there is enough to see!

CALA JONDAL | THE BLUE MARLIN

Famous and beautiful people. Lots of parties are going on. Not great for the kids as it is a pebbly beach. It is over the top in the summer; a Marbella Real Estate hangs out. They have showtime Sunday with good music, DJ and sound, and good day dancing.

AMAZING RESTAURANTS

DON'T BBQ
MAKE paella

Preheat the oven to 190°C/375°F/gas 5. Season the chicken pieces and dust them with flour. Heat olive oil in a large deep pan and fry the chicken until golden brown on both sides. Place the pieces on a baking tray and into the oven for 30 minutes. Put the pan back on the heat. Add the sliced chorizo, pancetta, or bacon, and fry until browned and crispy. Then add the onion and garlic and cook until soft.

Meanwhile, infuse half the hot chicken stock with the saffron. Add the smoked paprika, rice and infused stock and leave to cook on medium heat, stirring from time to time. After 20 minutes, the rice should be nearly cooked. If you are using them, pour in the rest of the stock along with the peas, prawns, mussels and squid. Place a lid on the pan and cook for 10 minutes more. Finally, add the cooked chicken and serve sprinkled with chopped parsley and a wedge of lemon.

MORE THEN JUST DINNER

LA BELLE IBIZA | SAN RAFAEL

French restaurant where you can eat outside in private tents. They also have a lounge area with great freshly made Mojitos and Caipirina's. They have a good kitchen, but a little bit overprized for just that. But then again the ambiance is really good.

LIO | IBIZA HARBOR (OLD EL DIVINO DISCO)

Fantastic cabaret restaurant with great show and absolute amazing view over Ibiza-city. Reserve in advance an ask for a table in the middle. Do not go for intimate diner as there is entertainment all night. The dancers are great and a real joy for the eye! No need to make it expensive too, a great deal.

DESTINO PACHA IBIZA RESORT | TALAMANCA

What can we say, Pacha combined all their quality work in on big resort, a pool surrounded by palm trees, sunbeds and day beds with an extra large Jacuzzi to enjoy the sunset. A big restaurant and shows all evening and they did that fantastic! We had diner and honestly we thought the food was ok but we were hungry when we left!

All the big clubs have their party with all kinds of people coming, especially opening and closing parties are famous.

The season is from somewhere between the end of May beginning of October

WALK AROUND

DALT VILLA

The walls of Dalt Villa (old town) are monument by UNESCO as a World Heritage site. They served in the sixteenth century as protection against attackers. The narrow, cobbled streets are well preserved and on top of the castle complex, as in the Santa Maria Cathedral - the Dalt Vila, a beautiful view awaits you. The distinctive gate Portal de ses Taules can be found in the north wall. Really worth a visit as it is a small town in itself.

SA PENYA, IBIZA TOWN

Between the Dalt Vila and the port of Ibiza is the area Sa Penya. The small, cozy streets of this former fishing district, pulse with life in the summer as the busiest bars, restaurants and shops are here. Make sure you do not miss out night club parades when drag queens and musicians hand out flyers for the evening's parties.

PLAZA PARQUE

We like to come here, have drink, eat a bocadillo. Read a newspaper in the sun at the square. All year round you come her and just see all kinds of people passing. Never a dull moment. Nice and lovely square!

IBIZA HARBOR

Go see the boats. At the end there is a little square with shops and restaurants at the right hand. Also a small parade of bars with terraces lies to the right. Stop at the Rock Bar or Base for a drink. Marina Botafoch
Again go see the boats. If you are into boats. Very nice view from the docks to dalt villa, also several buffet deals at Sunday at café Sidney and during the week a fabulous daily menu at Trattoria del Mar.

TEATRO PERREYRA

Here the Dutch owner organizes live jazz and blues nights especially in winter time at the weekends. Free entrance but the drinks include the music.

SHOP AROUND

IBIZA TOWN

you will find a selection of the newest and wildest pieces of clothing to wear for a night out, but you can also find funky accessories for a day at the beach. The port of Ibiza is a vibrant shopping area with fashionable boutiques. At night the street vendors and stalls in the harbour market, where blankets, shawls, clothing, jewellery, music and much more are sold. The shops in the harbour are open in summer until late in the evening. Wandering around Ibiza Town, you will encounter more shopping, especially along the Paseo Vara de Rey and the Avenida d'Isidor Macabich. The latter also has a small bazaar. The street of the Holy Virgin is the centre of a large and vibrant gay scene in Ibiza, hiding the piercing studios and trendy bars.

SHOP IN BOUTIQUES

Just go to Ibiza town and walk around there are so many and not to forget the street around the harbor.

IbZCode

Ibiza Town & big store on the road from Ibiza to Santa Eulalia
IbZCode is amazing, the way the owners find every year again to renew their collection with items from all the world is impressive!

SAN ANTONIO BAY

Have extensive opportunities for shopping, for example, department stores and shops along the seafront in the heart. You'll find everything from fashion to music and beach wear to souvenirs here.

HIPPY MARKETS

LAS DALIAS | SANT CARLES, KM12

Famous hippy market with a lot of markets and also great food. In summer, they are also open at night.

ES CANAR | PUNTA ARABI

We found the hippy market near Santa Eularia a bit too busy and not as good as Las Dalias.

BUY A KFTAN

Or something else...

REINA AND ROSES | SANTA EULARIA

Bohemian boutique, kaftans, dresses and blouses made from soft materials like silk and soft cotton outfits! Also a nice place to shop for gifts.

AUROBELLE | SANTA GERTRUDIS & SANT JOSEP

Amazing kaftans (also for the kids)! In Las Dalias there is a place where you can buy last season kaftans for reasonable prices.

VISIT SPIRITUAL PLACES

ES VEDRA | CALA D'HORT

Ibiza is an island of mysteries, and the rock Es Vedra is one of them. People say that the rock creates a magnetic field due to extremely high concentrations of metals and minerals. There are three magnetic places like this in the world. More sensitive people can experience transformation; it is a great meditation place. The rock is 380 meters, and next to it is its little sister Es Vedranell which is 127 meters.

WATSU IBIZA

So you like yoga and love massages and are ready to take the next step and experience something unique? There comes Watsu. For me, it was magical and hard to put into words. My experience was being floated in warm water in total calmness, surrender and deep understanding. Zara (11 years old at that time) went with me and loved it too. Roger and Noam will take excellent care of you.

GET A MASSAGE or JOIN A YOGA CLASS
By ESTELLA

We are very fond of our massages and have experienced many of them worldwide, but honestly, nothing beats a massage by our friend Estella. Estella lives just down the road from Mariposa with her husband David, little girl Awen and their dog Rama and cats.

You will find a beautiful yoga studio with a big window overseeing the hills; the tranquillity and peace are unique. Her massages are loving, intuitive, relaxing and balancing; more important, she feels what you need. You can also do yoga, music therapy, and healings with her.

Another good thing is that she asks a more than fair price for the massage. The time is between an hour and a half for the time you need. Just make sure you text or call her at the beginning of your holiday, as we know you would like to come back.....

And she also provides yoga classes.

MAKE A BOAT TRIP

GO TO FORMENTERA

Take the boat to Formentera and rent a bike for a beautiful day. You can search for restaurant Juan y Andrea at Beach Illetes (Remember that summer is jam-packed with boat people). Formentera is quiet and different from Ibiza. The location is superb, and the aquamarine sea is gorgeous! Take the boat back around 19.30 to Ibiza town and enjoy the sunset.

RENT A BOAT

You can also rent a boat or hire a big boat with many people and have a pick nick at a beach. Ask around in the harbour for a good ship.

STAR BOATS | CALA DE BOU / SAN ANTONIO

If you do not have a boat licence, you can rent a small boat and visit the beaches in the south.

Jordi can provide you with good boat rentals; message him at 0031624696966.

GO TO IBIZA FIESTAS

TOWN FIESTAS

The fiestas are an excuse to have a week-long party. There are fiestas for each town and also for the Patron Saint. They Usually last about a week and have loads of kids' entertainment, concerts, live shows, competitions and parades through the town with floats, old cars, etcetera and ending with massive firework displays. They are great fun and a great way to mingle with the locals.

IBIZA MEDIEVAL FESTIVAL

In May, there is a medieval festival in the old town of Ibiza. The XVI-century walls and buildings are perfect for such a festival. Moors, Christians, and Jews lived in Ibiza back then, and all will come back alive again. We like to go here with the kids. Check for the 'big performance' they have at the weekends—the ones we have seen were great.

GO AROUND THE ISLAND

VINEYARD

Looking and tasting - the vineyard of Can Rich (wine from Ibiza).

DIVING

Warm, clear waters and lots of coastlines with rich marine life. Ideal for diving and snorkelling. The dive sites include caves and shipwrecks. There are many professional dive schools along the beaches of Ibiza.

DISCOVERY ON THE ISLAND

Do you feel like exploring? Go through the island's pine-covered hills to remote, hidden caves.

MUSEU D'ART CONTEMPORANI | IBIZA TOWN.

It is one of the most significant buildings of the monumental de Dalt Vila. It currently houses a centre that, through exhibitions and audiovisual, lets us know the city and its evolution in the Muslim period.

SES SALINES

The salt fields are more than 2000 years and created the 'white gold' of Ibiza. It was the primary industry of the island until tourism came to Ibiza. As the water during the hot summer evaporates, salt crust is left on the bottom of the lakes. Every night is spectacular to see the salt glittering in the sunset.

HORSEBACK RIDING

Get a horse on the island near San Antonio; there are various stables.

PAINTBALL LOUNGE PARTY | NEAR SAN ANTONIO

Run around, lounge, barbeque and have fun!

AQUARIUM CAP BLANCHE | SAN ANTONIO

Walk down a small path to the old 'smugglers grotto'; they transformed it into a small aquarium.

DRIPSTONE CAVE

Can Marça Caves

PUERTO DE SAN MIGUEL

Mysteriously, silently over aeons, stalagmites and stalactites have formed into figures, temples and rocket stations. At heart is spectacular Music & Light Show with a 30 feet cascade of diamond-bright water. Open all year.
