ABOUT US

We came to the island in 1999 and still enjoy it every time we come here.

We fell in love here, got married here, got children and bought a house. Now we are enjoying the island every season and feel so lucky we can do this. We like to come here with friends and family. Enjoy a great paella at wintertime at Es Boldado and relax in summer with fresh Cava de Sangria at Tropicana beach.

We found that coming here so long, the island keeps surprising us. The energy of the island is amazing and we keep changing with it. When we first came we just partied and totally experienced nightlife. With small children we are enjoying the beaches and as we are getting older our spiritual interest comes free here.

Many people ask which beaches we like and where they should eat. What is good for partying and where we buy the kaftans **for the girls. This 'Enjoy Ibiza' is a result from our years over the island.**

We hope that you, in what kind of state of group you are coming, will have the same great holidays as we do!

Un abrazo de

Jordi & Joanne

IBIZA

Ibiza attracts people from all over the world. Many say the island give them a opportunity to breathe, to step away from normal life and just live. The open atmosphere which you can feel every where on the island, gives you an open sense of living. Ibicencos often use the Latin expression: 'Ad Lib', especially in their fashion. Which means "as you feel like".

For years Ibiza attracts open minded people, hippies, artists, musicians. Today Ibiza is more international than ever. This is evident from the many restaurants with very different culinary experiences, and bars and clubs with chic

design, housed in an absolutely breathtaking scenery. Ibiza is also loved by family's as they can take their kids everywhere on the island. Find out for yourself why you love Ibiza.

AT THE BEACH

JUST BEACHES

Ibiza has 55 beaches to enjoy. There are small idyllic beaches, big rocky beaches, beaches with sand and stones. There are some beaches we really love and there are also beaches we still have to discover. Some beaches are great with small kids (Cala Graciolina) and some beaches you just want to go if you have a party with friends (Salinas - Sa Trinxa). These are a few of our favorites. Sometimes we talk about the beach and sometimes we say the name of establishment.

Cala Conta

Here's something for everyone. The beaches are beautiful, the water is a popular snorkeling area, and there is a nice chill out beach bar called Sunset Ashram. The sunset there is just as good as at the famous Café del Mar in San Antonio. If you dine at one of the restaurants at the beach you will be dining with a amazing sunset! Cala Conta is situated on the west coast of the island.

Cala d'Hort

In one word, magnificent! It is a quiet bay, with sun, sand, fine restaurants and beautiful views of the island and of the famous rock 'Es Vedra'. **Beautiful and spiritual place.**

Cala Jondal

Beautiful beach in the south of Ibiza, you will find many famous beach clubs like: Blue Marlin, Tropicana, Jemanja, last one is open the whole year round, and Tropicana has the best service at the beach and they have great Massages on the beach. Blue Marlin is famous about Sunday's live music.

Cala Llonga

A popular bay near Santa Eularia, with a huge sandy beach with all the amenities you want.

Cala Mastella

The crystal clear water is great for snorkeling here. Left you will find a small bar and restaurant right at Can Bigote.

Cala Vedella

A small, beautiful beach with clear blue water in the heart of a seaside village. Very popular by families. This beach is very nice at the beginning or end of the season as the most restaurant and bars are open whole year round.

Platja d'en Bossa

This is the longest beach in Ibiza and the home of the Bora Bora bar and Club Space. If you like to party during day time this is a good place for it. It can be noisy and not so great with children if you are at the area with only 'party people'. There are also a lot of new hip places like 'Club Nassau' and 'Coco beach'. They have water sport facilities, like Jet Ski's and catamarans.

Platja des Cavallet

Official nudist (partly) and gay friendly beach in Ibiza. Has a nice Chiringuito and restaurant Es Collera (open all year round).

Aguas Blanca's

Beach in the north east of Ibiza, beautiful and rocky, this is a partly nude beach.

Benirras

We like to go on Sunday's as the hippies sit there and drum, the sunset is amazing.

Es Cubells

Small beach at Es Cubells which is very easy to go to. Just follow the sign Es Cubells, the road goes down for 1.5 km, the last part can be very steep.

PLACES & FOOD & BEACH

We like to eat on the beach, these are our favorites.

Tropicana

Cala Jondal

Beautiful white beds covered with great music and massages on the beach, which we find one of the best. Ask for the Mexican Jorge, who is great. Also the place to order fresh fish or salads which they serve at your bed. This is the place to order the best cava de Sangria at the island, salut!

Sunset Ashram

Cala Conta

Nice view over Cala Conta beach with super-blue sea, nice music. They have no beds but a nice place to sit and drink. Good music and as the name suggests, a beautiful Sunset!

El Chiringuito

Cala Gracionetta

Really beautiful small beach, not to be mistaken for 'Cala Gracio', it lies next to it and maybe hard to find. It is very nice with small children as the beach is small you always see them and the water has a long stretch of shallow water. The Chiringuito serves food but which is ok.

Es Xarcu

Next to Jondal beach

A small excellent fish restaurant. Carefully with your car because the road is pretty bumpy!

Restaurant at Sa Caleta

Sa Caleta

The restaurant at Sa Caleta is also really nice for fish, I think it is called Bolnoi. If you go in April you can sit in the sun and stay out of the wind it is really nice to sit outside, they are open the whole year. It has a rough, red rock beach with sand.

Can Pujol

Port des Torrent at San Antonio, the old road to the coast

For anyone who likes eating paella, this is the place on Sunday! Many Spanish families are here on Sunday paella, everything is freshly prepared.

La Escolera

Playa Es Cavallet

We go here for lunch in spring or fall. Tip for lunch, they have a very good Vitello Tonato.

Yemanja

Cala Jondal

Is open all year round and has a good Spanish cuisine, ask for calamares negro.

La Marisqueria

Talamanca

Again we like to come here in pre-season, as you can sit in the sun at the beach. The kids can play and you can watch them closely. They have fresh grilled chicken which is made by the abuela (grandmother).

BEACHES & LOUNGE

Jockey Club

Salinas beach

Certainly one of our favourite beaches. In the afternoon delicious food and drink white Sangria with cava. You can rent beds, in summer there's often a DJ and music is always very good! Furthermore, there is a masseur: Giovanni, an Austrian/Italian who learned to massage in Thailand! Would you like more privacy he can also visit you at home.

Sa Trinxà

Salinas beach

If you want a place with the real Ibiza spirit, this is a must! Something special and luckily never changed through the years.

Malibu beach restaurants

Salinas beach

Nice but more quiet as the above. They are situated next to each other.

The Blue Marlin

Cala Jondal

Dancing, famous and beautiful people. Lots of parties going on. Not great for the kids as it is a pebbly beach. It is going over the top in the summer, a Marbella Real Estate hang out. Sunday sessions with Paco Hernandez tend to give a better vibe as well as the closing party end of Season.

El Chiringuito

Playa es Cavallet

Nice place with good lounge beds, restaurant and good vibe.

Experimental Beach

Next to salinas at playa Codolar

you see the entrance right just before Salinas. Great sunsets and more quiet. Big beds often free for a nice sunset. My brother loves it. It is a pebble beach.

Atzaro

Atzaro Agroturismo Hotel in Sant Joan

It has a nice pool area and a spa to stay for a day. Check their retreat offers at the web.

Atzaro beach at Cala Nova

It just opened a new beach restaurant in 2012 at Cala Nova and we really liked the food, they had a Samorejo (Spanish soup) which was absolutely great!

Club Nassau

Playa d'en Bossa

Sun beds, club sandwich, fresh lobster all served on the beach.

Coco Beach

Very good food for a beach restaurant, the kids can play in the sand and there is enough to see!

DINER & COCKTAILS

KM5

Road from Ibiza Town to San Josep @km 5

Absolutely fantastic! Eating and lounging in an old hacienda, oriental outdoor tents with music and Ibiza Angels (massage). Great for cocktails and just drinks. If you go out for dinner make sure you make a reservation.

MORE THEN JUST DINNER

La belle Ibiza

San Rafael

French restaurant where you can eat outside in private tents. They also have a lounge area with great freshly made Mojitos and Caipirina's. They have a good kitchen, but a little bit overprized for just that. But then again the ambience is really good.

Lio

Ibiza harbor (old El Divino disco)

Fantastic cabaret restaurant with great show and absolute amazing view over Ibiza-city. Reserve in advance and ask for a table in the middle. Do not go for intimate diner as there is entertainment all night. The dancers are great and a real joy for the eye! No need to make it expensive too, a great deal.

Destino Pacha Ibiza Resort

Talamanca

What can we say, Pacha combined all their quality work in on big resort, a pool surrounded by palm trees, sunbeds and day beds with an extra large Jacuzzi to enjoy the sunset. A big restaurant and shows all evening and they did that fantastic! We had diner and honestly we thought the food was ok but we were hungry when we left!

Casita Verde

Well this is well hidden on Ibiza but certainly worth a visit, it is about 10 minutes from the house but find the route on their website.

On Sunday's they serve a homegrown and made vegetarian lunch which is absolutely fantastic. You sit in a very peaceful environment. Their aim is to connect people through education, music, positive initiatives, natural energy solutions, cleaning coastal zones and keeping alive the rural landscape, plus studies of a variety of green business opportunities. If you like to go there take your passport as you will become a member of Casita Verde for €10,- and they will serve you a lunch for it. Delicious curries in a great setting. Definitely a place to eat with the kids. Try: mekhani chicken (butter chicken's sauce with almonds), paswari naan (Indian bread with coco's fruit), sag aloo (potato with spinach). Good to combine it with the sunset at Café del Mar. Opens early in the season closes in October.

Brightly decorated with a beautiful menu and serve a fantastic good 'Menu del Dia'. Great seafood risotto!

Ama Iur

On the way from Ibiza to St Gertrudis near the roundabout

Probably one of the best restaurants of Ibiza, go with friends and leave the kids with the babysitter.

Dance, dance, dance

What can we say. Ibiza clubs are famous for the party. All big clubs have there own party with all kinds of people coming. Opening and closing parties are famous, especially of Club Space. The season is from June to September.

EIVISSA
The city

WALK AROUND

Dalt Villa

The walls of Dalt Villa (old town) are monument by UNESCO as a World Heritage site. They served in the sixteenth century as protection against attackers. The narrow, cobbled streets are well preserved and on top of the castle complex, as in the Santa Maria Cathedral - the Dalt Vila, a beautiful view awaits you. The distinctive gate Portal de ses Taules can be found in the north wall. Really worth a visit as it is a small town in itself.

Sa Penya, Ibiza Town

Between the Dalt Vila and the port of Ibiza is the area Sa Penya. The small, cozy streets of this former fishing district, pulse with life in the summer as the busiest bars, restaurants and shops are here. Make sure you do not miss out night club parades when drag queens and musicians hand out flyers for the evening's parties.

Plaza Parque

We like to come here, have drink, eat a bocadillo. Read a newspaper in the sun at the square. All year round you come her and just see all kinds of people passing. Never a dull moment. Nice and lovely square!

Ibiza Harbor

Go see the boats. At the end there is a little square with shops and restaurants at the right hand. Also a small parade of bars with terraces lies to the right. Stop at the Rock Bar or Base for a drink.

Marina Botafoch

Again go see the boats. If you are into boats. Very nice view from the docks to dalt villa, also several buffet deals at Sunday at café Sidney and during the week a fabulous daily menu at Trattoria del Mar.

Teatro Perreyra

Here the Dutch owner organizes live jazz and blues nights especially in winter time at the weekends. Free entrance but the drinks include the music.

WHAT TO DO

Watsu Ibiza

Es Vedra

VISIT SPIRITUAL PLACES

Es Vedra

Cala d'hort

Ibiza is an island of mysteries and the rock Es Vedra is one of them. People say that due to extreme high concentrations of metals and minerals the rock creates a magnetic field. There are 3 magnetic places like this in the world. More sensitive people can experience transformation, it is a great place to meditate. The rock is 380 meters and next to it is its little sister Es Vedranell which is 127 meters.

Watsu Ibiza

Santa Gertrudis

So you like yoga and love massages, you are ready to do the next step and experience something really special? There comes Watsu. For me it was magical and hard to put in words. My experience was being floated in warm water in a total calmness, surrender and deep understanding. Zara (11 years) went with me and she loved it to :-). Roger and Noam will take really good care of you.

GET A MASSAGE or YOGA By ESTELLA

We are very fond of our massages and we have experienced a lot of them throughout the world, but honestly nothing beats a massage by our friend Estella.

Estella lives just down the road of Mariposa with her husband David, their dog Rama and cats. You will find a beautiful yoga studio, with a big window overlooking the hills, the tranquility and peace is amazing.

Her massages are loving, intuitive, relaxing and balancing, more important she really feels what you need. You can also do yoga, music therapy, healings with her.

Another good thing is that she asks a more than fair price for the massage. The time is between an hour and a half for the time you need. Just make sure you text or call her in the beginning of your holiday as we know for sure you will like to come back.....

GET A MASSAGE & DETOX By Mapi & Rafa and their team

My friends Mapi and Rafa have their own retreat on Ibiza, DePura Ibiza. They work with a experienced team and have created a magical place on top of the hill. Imagine yourself having yoga, detox, or fasting in nature with breathtaking views all around. you will feel loved by the team and go home with renewed energy.

I personally love to be on top of that hill, as it has 360 views, you see mountain, city, trees, sunrise and sunset, wow! Mapi really makes amazing detox energy drinks and honestly after some night parties this will give me my balance..... Which I need :-)

You can go for classes, per hour, day, weekend or for a longer retreats. Just contact DePura through their website and tell them your guest of Mariposa!

MAKE A BOATTRIP

Go to Formentera

Take the boat to Formentera and rent a bike to have a wonderful day. You can search restaurant Juan y Andrea at Beach Illetes (Keep in mind that in summer it is very busy with boatpeople). Formentera is quiet and definitely different from Ibiza. The location is superb and the aquamarine sea is gorgeous! Take the boat back around 19.30 to Ibiza town and enjoy the sunset.

Or Rent a boat

You can also rent a boat or hire a big boat with a lot of people and have a pick nick at a beach. Ask around in the harbour for good boat.

GO TO IBIZA FIESTAS

Town fiestas

The fiestas are basically an excuse to have a week long party. There are fiestas for each town and also for the Patron Saint. They Usually last about a week and have loads of kids entertainment, concerts, live shows, competitions and parades through the town with floats, old cars etcetera and ending with massive firework displays. They are great fun and its a great way to mingle with the locals.

Ibiza medieval festival

In May there is a medieval festival in the old town of Ibiza. The XVI century walls and buildings are perfect for such a festival. Moors, Christians, and Jews lived in Ibiza back then and all will come back alive again. We really like to go **here with the kids**. Check for the **'big performance'** they have in the weekends. The once we have seen where great.

GO AROUND THE ISLAND

Vineyard

Looking and tasting - the vineyard of Can Rich (wine from Ibiza).

Diving

Warm, clear waters and lots of coastline with rich marine life. Ideal for diving and snorkeling. To the dive sites include caves and shipwrecks. There are many professional dive schools along the beaches of Ibiza.

Ses Salines

The salt fields are more than 2000 years and created the 'white gold' of Ibiza. It was the main industry of the island until tourism came to Ibiza. As the water during the hot summer evaporates, salt crust is left on the bottom of the lakes. Every night is a spectacular sight to see the salt glittering in the sunset.

6 boneless chicken breasts or thighs, preferably free-range or organic, skin on, each quartered
sea salt and freshly ground black pepper
plain flour, for dusting
olive oil
100g chorizo, sliced
6 slices pancetta or streaky bacon
1 onion, finely chopped
4 cloves of garlic, finely chopped
2 liters hot chicken stock, preferably organic
2 large pinches of saffron
1 heaped teaspoon smoked paprika
500g paella rice
small bunch flat leaf parsley, leaves picked and chopped, stalks chopped
2 handfuls peas, fresh or frozen
10 king prawns

Optional: 500g mussels, scrubbed
optional: 2 small squid, halved and scored

DON'T BBQ

MAKE paella

Preheat the oven to 190°C/375°F/gas 5. Season the chicken pieces and dust with flour. Heat a little olive oil in a large deep pan and fry the chicken until golden brown on both sides. Place the pieces on a baking tray and into the oven for 30 minutes. Put the pan back on the heat. Add the sliced chorizo and pancetta or bacon and fry until browned and crispy. Then add the onion and garlic and cook until soft. Meanwhile infuse half the hot chicken stock with the saffron. Add the smoked paprika, rice and infused stock and leave to cook on a medium heat, stirring from time to time. After 20 minutes the rice should be nearly cooked. At this point, pour in the rest of the stock along with the peas, prawns, and the mussels and squid if you are using them. Place a lid on the pan and cook for 10 minutes more. Finally, add the cooked chicken and serve sprinkled with chopped parsley and a wedge of lemon.

BIENVENIDO AT VILLA MARIPOSA

A charming villa's in typical Ibicenco style lies in the hills of San Josep and San Antonio, on the south-west coast of Ibiza. This coastline is one of the nicest areas of the island. The romantic shores with crystal clear water backed up by pine tree covered mountains give a nice picture of the island.

Mariposa is the place for relaxing at the beautiful sun terrace or to enjoy spectacular sunsets. Because of it's favourable situation it is a place to take off for a night out but also perfect for those who seek tranquillity and relaxation. It is like Ibiza, the best of both world's.
